Welcome Message

Dear Esteemed Industry Partners,

The landscape of Revision Arthroplasty of the Hip and Knee is evolving rapidly, with a significant increase in procedures across the country in recent years. Unlike Primary Arthroplasty, Revision Arthroplasty presents a distinct set of challenges, demanding meticulous pre-operative planning and precise execution to achieve optimal outcomes and extend the longevity of implants. The decision-making process can be particularly daunting for those new to the field, especially when it comes to selecting the appropriate implants and techniques.

Recognizing the growing demand for a focused scientific meet on Revision Arthroplasty of the Knee and Hip, we are proud to announce the **'First Knee & Hip Revision Arthroplasty Conference (RAC) - 2024.'** This landmark event is scheduled to take place at Hotel **'The Grand,' New Delhi, on the 13th, 14th, and 15th of December 2024.** As the first conference of its kind in India dedicated exclusively to Revision Arthroplasty, it promises to be an unparalleled gathering of expertise and innovation.

We anticipate an attendance of 400-500 delegates from India and neighboring countries. Our goal is to educate and empower participants with the knowledge required for the optimal use of implants and instrumentation, ensuring the best possible outcomes and longevity for patients. To achieve this, we have invited distinguished experts in Revision Arthroplasty, both at the National and International levels.

We warmly welcome you to participate in this unique scientific event, and we invite you to join us as **"Trade Partner"** in making this conference a resounding success. Your involvement will play a crucial role in advancing the field of Revision Arthroplasty and in fostering collaboration among industry leaders and healthcare professionals.

We look forward to your valued support and participation.

Warm Best Wishes,

Dr (Prof.) Anil Arora
